POINT OF SALE PERFECTED

The XPC600 All-In-One TouchPC's aluminum die-cut case allows for silent fanless operation. The lack of fans or venting means no chance of a system failure due to build up of grease, lint, or dirt. Featuring a 15" active matrix display with 5-wire resistive touch technology, and optional magnetic stripe reader or customer display, the XPC600 offers versatility for your demanding point of sale needs.
